FOR ALL THOSE WHO WANT TO BE AMAZED

Café 3440 in the mountains of the Pitztal Glacier is unique. It is the highest vantage point in Austria that can be reached by cable car.

The Gletscherexpress and Wildspitzbahn cable cars take you safely and effortlessly from the valley to the summit of the Hinterer Brunnenkogel at 3,440 meters above sea level. Sheltered, as if in a box seat and yet with an unobstructed view of the glaciated world of the Ötztal Alps, you can enjoy the selected culinary delicacies in this special ambience.

Coffee specialties, homemade cakes or breakfast at a dizzying height. Thanks to the south-facing glass front and the free-floating sun terrace, the snow-covered peaks seem close enough to touch.
